Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The response filed on July 18, 2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the amendments to the claims are improper because they are not in compliance with 37 CFR 1.173(b) and (d); for example, claim 11 (which is a claim from the original patent) is labeled as "(Twice amended)" but does not show the changes made with respect to the version of claim 11 from the patent; in claim 12 (line 10), claim 15 (lines 2, 11), claim 23 (lines 2, 8, 10), claim claim 34 (line 5), claim 58 (lines 3, 6), claim 60 (line 2), claim 62 (lines 3, 6), claim 63 (line 6), the bracket is improper, particular with respect to Rule 173(d), and it is suggested to submit two version of the claims - a first official version showing the changes with respect to the original patent claims (as required by Rule 173(d), and a second "marked-up" version showing the changes made with respect to the previously submitted version. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
